GRANT AGREEMENT

1000-572100-121600
SAID 670-7

THIS GRANT AGREEMENT is made and entered into by and between the **STATE of INDIANA** acting by and through the **Indiana State Department of Health** (the "State") and **The Damien Center, Inc.** (the "Grantee").

1. Purpose Of Grant Agreement

The purpose of this Grant Agreement is to enable the State to make a grant from the State of Indiana's State Aids Education Fund of up to \$60,000 to the Grantee named above, for costs authorized by the State to complete the project described in Paragraph 3. **The State may authorize an amount up to 10% greater than the above amount should it be deemed necessary by the State to accomplish the purpose of this Grant Agreement. Also the State may finally authorize an amount not less than 90% of the above amount should it be determined by the State that the maximum amount of this Grant Agreement is not necessary for the completion of the project described in Paragraph 3. In no event shall the increase or decrease in the amount of this Grant Agreement be greater than \$25,000. This will make the most efficient use of the total grant money distributed between multiple grantees. Should the State make the determination to increase or decrease the amount of this Grant Agreement under this paragraph the State will notify the Grantee in writing.**

2. Term Of Grant Agreement

The term of this Grant Agreement shall be from July 1, 2004 (the "Beginning Date") until June 30, 2005 (the "Expiration Date"). In no event shall payments be made for work done or services performed after the Expiration Date.

3. Use Of Grant Funds By The Grantee

Grant funds received by the Grantee pursuant to this Grant Agreement shall be used only to provide community-based consultation and administrative services for the Indiana State Department of Health (ISDH) under the Human Immunodeficiency Virus (HIV)/Acquired Immune Deficiency Virus (AIDS) program. The Grantee will provide consultation services to conduct active and passive HIV/AIDS surveillance. Activities also include special projects such as purchasing, developing, and/or printing HIV/AIDS service and education materials and coordination of community-based activities for high-risk groups, which project is described fully in Attachments A and B, attached hereto, and made a part hereof and incorporated herein by reference as part of this Grant Agreement.

4. Access To Records

The Grantee and its subcontractors shall maintain all books, documents, papers, accounting records, and other evidence (Records) pertaining to costs incurred, for inspection by the State or by any other authorized representative of the State and copies thereof shall be furnished at no cost to the State if requested. The Grantee and its subcontractors shall make all Records available at their respective offices at all reasonable times during the Grant Agreement period and for three (3) years from the date of final payment under the Grant Agreement or until an audit has been completed and all audit exceptions cleared.

5. Amendments

No alteration or variation of the terms of this Grant Agreement shall be valid unless made in writing and signed by the parties hereto. No oral understanding or agreement not incorporated herein shall be binding on any of the parties hereto. Any alterations or amendments, except a change between budget categories which requires the prior written consent of a duly authorized representative of the State, shall be subject to the contract approval procedure of the State.

6. Assignment

The Grantee shall not assign or subcontract the whole or any part of this Grant Agreement without the State's prior written consent. The Grantee may assign its right to receive payments to such third parties as the Grantee may desire without the prior written consent of the State, provided that Grantee gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Grant Agreement and shall not be made to more than one party.

7. Audits

- a) Following the expiration or termination of this Grant Agreement, the Grantee shall secure an audit of funds provided to the Grantee by the State under this Grant Agreement. An independent public accountant or certified public accountant (or as applicable, the State Board of Accounts) shall conduct this audit. The audit shall be conducted in accordance with Generally Accepted Auditing Standards ("GAAS") and any other audit guidelines or standards applicable or specified by the State or the federal government, which includes Chapter 5-11-1 of the Indiana Code and the Indiana State Board of Accounts publication "Guidelines for the Examination of the Entities Receiving Financial Assistance from Governmental Sources" and, if applicable, provisions of the federal Office of Management and Budget Circular A-133 (Audits of Institutions of Higher Education and Other Non-Profit Organizations). Audits conducted pursuant to this paragraph are to be submitted within the earlier of thirty (30) days after receipt of the Auditor's report(s) or nine (9) months after the close of the audit period unless a written waiver of this provision is provided by the Indiana State Department of Health, Audit Section. The Grantee agrees to provide a readable copy (or original if requested by the State) of all audits secured by the Grantee to meet this provision and a copy of the Grantee's "Entity Annual Report" (Form E-1) to the Indiana State Department of Health, 2 North Meridian Street, Audit Section 2C99, Indianapolis, Indiana 46204.

Grantee agrees to provide the Indiana State Board of Accounts an original of all financial and compliance audits and the original Grantee's "Entity Annual Report" (Form E-1). Should the Grantee be an agency of the State of Indiana or a local or Quasi-governmental agency, the requirement to submit the Grantee's "Entity Annual Report" (Form E-1) to the State and the State Board of Accounts is waived.

- b) The Grantee's audit shall be an audit of the actual entity, or distinct portion thereof that is the Grantee, and not of a parent, member, or subsidiary corporation of the Grantee, except to the extent such an expanded audit may be determined by the Auditor or the State to be in the best interests of the State. The audit shall include a statement from the Auditor that the Auditor has reviewed this Grant Agreement and that the Grantee is not out of compliance with the financial aspects of this Grant Agreement.
- c) The State and the Indiana State Board of Accounts reserve the right to approve any auditor to be secured by the Grantee to conduct the audit specified in subparagraph a). Further, if applicable, the Grantee shall require its sub-grantees to secure audits in accordance with subparagraph a), and to timely file all reports required by the Indiana State Board of Accounts.
- d) Grantee shall maintain books, records, documents, including but not limited to statistical reports, program reports, payroll records, banking records, accounting records, and purchase orders that are sufficient to document Grantee's program and financial activities that relate to the performance of the services and funds provided pursuant to this Grant Agreement and Grantee's claims for reimbursement under this Grant Agreement or as required by law, and other evidence, according to generally accepted accounting procedures, which identify costs attributable to the service(s) specified on 'Attachments A and B' of this Grant Agreement. The Grantee shall comply with the cost principles set forth in Office of Management and Budget Circular A-122. The Grantee shall maintain a written cost allocation plan that identifies procedures used to attribute costs to each component code and service. More restrictive fiscal accountability may be required of the Grantee by the State, beginning upon written notice, if the State determines the Grantee is financially unstable, has a history of poor accountability, or has a management system that does not meet the standards required by the State of Indiana and/or the United States Government.
- e) Internal controls must be in effect which provide reasonable assurance regarding the reliability of financial information and records, effectiveness and efficiency of operations, proper execution of management's objectives, and compliance with laws and regulations. Among other things, segregation of duties, safeguarding controls over cash and all other assets and all forms of information processing are necessary for proper internal control.
- f) Upon written demand by the State, the Grantee agrees to repay the State all sums paid by the State to the Grantee for which adequate fiscal documentation is not in existence for the time period audited.
- g) Should an audit of the Grantee result in an audit exception, the State may set off such amount against current or future allowable claims, demand a cash payback, or withhold payment of current claims or any combination thereof, in a like amount pending resolution between the parties of any disputed amount.

8. Authority To Bind

Notwithstanding anything in this Grant Agreement to the contrary, the signatory for the Grantee represents that he/she has been duly authorized to execute contracts on behalf of the Grantee and has obtained all necessary or applicable approvals from the home office of the Grantee to make this Grant Agreement fully binding upon the Grantee when his/her signature is affixed, and this Grant Agreement is not subject to further acceptance by Grantee when accepted by the State of Indiana.

9. Compliance With Laws

The Grantee shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, the provisions of which are incorporated by reference. The enactment or amendment of any applicable state or federal statute or the promulgation of any rules or regulations thereunder after execution of this Grant Agreement shall be reviewed by the State and the Grantee to determine whether the provisions of this Grant Agreement require formal modification.

10. Confidentiality Of Data, Property Rights In Products, And Copyright Prohibition

The Grantee agrees that all information, data, findings, recommendations, proposals, etc. by whatever name described and in whatever form secured, developed, written or produced by the Grantee in furtherance of this Grant Agreement shall be the property of the State. The Grantee shall take such action as is necessary under law to preserve such confidentiality and property rights in and of the State while such property is within the control and/or custody of the Grantee. The Grantee hereby specifically waives and/or releases to the State any cognizable property right of the Grantee to copyright, license, patent or otherwise use such information, data, findings, recommendations, proposals, etc.

11. Confidentiality Of State Information

- a) The Grantee understands and agrees that data, materials, and information disclosed to the Grantee may contain confidential and protected data. Therefore, the Grantee promises and assures that data, material, and information gathered, based upon or disclosed to the Grantee for the purpose of this Grant Agreement, will not be disclosed to others or discussed with other parties without the prior written consent of the State.
- b) The State will maintain confidentiality of client information provided by the Grantee pursuant to IC 16-39-5, IC 5-14-3-4(a)(9) and 42 CFR 51a, 112.

12. Conflict Of Interest

- a) As used in this section:

“Immediate family” means the spouse and the unemancipated children of an individual.

"Interested party," means:

- 1) The individual executing this Grant Agreement;
- 2) An individual who has an interest of three percent (3%) or more of Grantee, if Grantee is not an individual; or
- 3) Any member of the immediate family of an individual specified under subdivision 1 or 2.

"Department" means the Indiana Department of Administration.

"Commission" means the State Ethics Commission.

- b) The Department may cancel this Grant Agreement without recourse by Grantee if any interested party is an employee of the State of Indiana.
- c) The Department will not exercise its right of cancellation under section b) above if the Grantee gives the Department an opinion by the Commission indicating that the existence of this Grant Agreement and the employment by the State of Indiana of the interested party does not violate any statute or rule relating to ethical conduct of state employees. The Department may take action, including cancellation of this Grant Agreement consistent with an opinion of the Commission obtained under this section.
- d) Grantee has an affirmative obligation under this Grant Agreement to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this section extends only to those facts that Grantee knows or reasonably could know.

13. Cultural Competency

- a) Based on recommended national standards from the U.S. Department of Health and Human Services' (HHS), Office of Minority Health (OMH), the State may provide cultural competency training to educate individuals on how to continue to, or implement health care services that are culturally appropriate to respond to the current demographic and cultural profile of the communities served by this Grant Agreement.
- b) The Grantee agrees to participate in one session of the cultural competency training presented by the State during the term of this Grant Agreement. The Grantee shall designate a representative who will attend this training or otherwise show evidence that a representative has received approved cultural competency training. The Grantee shall be responsible for ensuring that a representative of its subcontractors/subgrantees will attend this training as well. The State Health Commissioner may waive this training requirement upon application and justification submitted by the Grantee that they have received approved cultural competency training within the year prior to the beginning date of this Grant Agreement.

- c) The State's cultural competency training is offered to grantees and subcontractors/subgrantees at no cost. Travel and incidental expenses incurred in obtaining the state's competency training that do not exceed the maximum amount allowed under state rules and do not exceed any conditions placed upon the use of the grant funds may be reimbursed by the State under this Grant Agreement. The Grantee and/or subcontractors/subgrantees shall be responsible for any travel and incidental expenses that exceed the maximum limit or any other conditions set for the use of these grant funds.
- d) Prior to the expiration of this Grant Agreement, the State's Cultural Diversity & Enrichment (CDE) Division may provide a cultural competency assessment form to the Grantee that must be completed and returned to the CDE Division within thirty (30) days of receipt of the form.

14. Design And Implementation Of Project

The Grantee shall be solely responsible for the proper design and implementation of the project described in Attachments A and B. Although not expressly attached to this Grant Agreement, the Grantee agrees to complete said project in accordance with the plans and specifications contained in its application. Modification of its application shall require prior written approval of the State.

15. Disputes

- a) Should any disputes arise with respect to this Grant Agreement, Grantee and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- b) The Grantee agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Grant Agreement that are not affected by the dispute. Should the Grantee fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Grantee as a result of such failure to proceed shall be borne by the Grantee, and the Grantee shall make no claim against the State for such costs. If the State and the Grantee cannot resolve a dispute within ten (10) working days following notification in writing by either party of the existence of a dispute, then the following procedure shall apply:

The parties agree to resolve such matters through submission of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Grantee and the State within ten (10) working days after presentation of such dispute for action. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered.

If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute may be submitted to an Indiana court of competent jurisdiction.

- c) The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Grantee of one or more invoices not in dispute in accordance with the terms of this Grant Agreement will not be cause for Grantee to terminate this Grant Agreement, and the Grantee may bring suit to collect these amounts without following the disputes procedure contained herein.

16. Drug-Free Workplace Certification

- a) The Grantee hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. Grantee will give written notice to the State within ten (10) days after receiving actual notice that the Grantee or an employee of the Grantee has been convicted of a criminal drug violation occurring in the Grantee's workplace.
- b) False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Grant Agreement and/or debarment of contracting opportunities with the State of Indiana for up to three (3) years.
