9. Compliance with Laws.

- A. The Grantee shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, and all provisions required thereby to be included herein are hereby incorporated by reference. If the Grantee or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this Grant immediately upon notice to the Grantee. In addition, the Grantee may be subject to penalties under IC §§ 4-2-6, 4-2-7, 35-44-1-3, and under other applicable laws.
- C. During the term of such actions, the Grantee agrees that the State may suspend funding for the Project. If a valid dispute exists as to the Grantee's liability or guilt in any action initiated by the State or its agencies, and the State decides to suspend funding to the Grantee, the Grantee may submit, in writing, a request for review to the Indiana Department of Administration (IDOA). A determination by IDOA shall be binding on the parties. Any disbursements that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest.
- E. The Grantee warrants that the Grantee and any contractors performing work in connection with the Project shall obtain and maintain all required permits, licenses, registrations, and approvals, and shall comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so may be deemed a material breach of this Grant Agreement and grounds for immediate termination and denial of grant opportunities with the State.
- F. The Grantee affirms that, if it is an entity described in IC Title 23, it is properly registered and owes no outstanding reports to the Indiana Secretary of State.
- G. As required by IC §5-22-3-7:

If the dispute is not resolved within ten (10) working days, a dissatisfied party shall submit the dispute in writing according to the following procedure:

The parties agree to resolve such matters through submission in writing of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Grantee and the State within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the parties concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive administrative decision unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration or mediation for a determination. If a party is not satisfied with the Commissioner's ultimate decision, the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.

- D. The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Grantee of one or more invoices not in dispute in accordance with the terms of this Grant will not be cause for the Grantee to terminate this Grant, and the Grantee may bring suit to collect these amounts without following the disputes procedure contained herein.

25. Indemnification.

The Grantee agrees to indemnify, defend, and hold harmless the State, its agents, officials, and employees from all claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Grantee and/or its subgrantees, if any, in the performance of this Grant Agreement. The State shall not provide such indemnification to the Grantee.

26. Independent Contractor.

Both parties hereto, in the performance of this Grant Agreement, shall act in an individual capacity and not as agents, employees, partners, joint venturers or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume liability for any injury (including death) to any persons, or damage to any property, arising out of the acts or omissions of the agents, employees or subgrantees of the other party.

The Grantee shall be responsible for providing all necessary unemployment and workers' compensation insurance for the Grantee's employees.

27. Licensing Standards.

The Grantee, its employees and subgrantees shall comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules or regulations governing services to be provided by the Grantee pursuant to this Grant Agreement. The State will not pay the Grantee for any services performed when the Grantee, its employees or subgrantees are not in compliance with such applicable standards, laws, rules or regulations. If any license, certification or accreditation expires or is revoked, or any disciplinary action is taken against an applicable license, certification or accreditation, the Grantee shall notify the State immediately and the State, at its option, may immediately terminate this Grant Agreement.

28. Ownership of Documents and Materials.

All documents, records, programs, data, film, tape, articles, memoranda, and other materials not developed or licensed by the Grantee prior to execution of this Grant Agreement, but specifically developed under this Grant Agreement shall be considered "work for hire" and the Grantee transfers any ownership claim to the State and all such materials will be the property of the State. Use of these materials, other than related to Grant Agreement performance by the Grantee, without the prior written consent of the State, is prohibited. During the performance of this Grant Agreement, the Grantee shall be responsible for any loss of or damage to these materials developed for or supplied by the State and used to develop or assist in the services provided while the materials are in the possession of the Grantee. Any loss or damage thereto shall be restored at the Grantee's expense. The Grantee shall provide the State full, immediate, and unrestricted access to the work product during the term of this Grant Agreement.

29. Penalties/Interest/Attorney's Fees.

The State will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorney's fees, except as permitted by Indiana law, in part, IC 5-17-5, IC 34-54-8, and IC 34-13-1.

Notwithstanding the provisions contained in IC 5-17-5, any liability resulting from the State's failure to make prompt payment shall be based solely on the amount of funding originating from the State and shall not be based on funding from federal or other sources.

30. Remedies Not Impaired.

No delay or omission of either party in exercising any right or remedy available under this Grant Agreement shall impair any such right or remedy, or constitute a waiver of any default, or any acquiescence thereto.

31. HIPAA Compliance.

If this Contract involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Contractor covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR 160.103), and agrees that it is subject to, and shall comply with, the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information.

If any final regulation or body of regulations relating to the administrative simplifications provision of the Health Insurance Portability and Accountability Act of 1996 ("Final HIPAA Regulations"), or any amendment or judicial or administrative interpretation of the Final HIPAA regulations prohibits, restricts, limits or materially and adversely affects either party's right or obligations hereunder, the parties shall negotiate, in good faith, reasonable revisions to this Contract. The purpose of the negotiations shall be to revise the Contract so that the affected party can comply and/or act in accordance with such Final HIPAA regulations, or amendment or judicial or administrative interpretation thereof and avoid or mitigate such prohibition, restriction, limitation or material and adverse effect. If the parties fail to agree to such revisions within forty-five (45) days after written notice from the affected party requesting negotiations under this paragraph, this Contract shall terminate. If so terminated, the Contractor shall return or destroy all protected health information received from, created or received by the Contractor on behalf of the State. The Contractor shall retain no copies of such information in any form if feasible. If not feasible, the Contractor bears the responsibility of ensuring that the protected health information is maintained in a secure and confidential manner.

32. Severability.

The invalidity of any section, subsection, clause or provision of this Grant Agreement shall not affect the validity of the remaining sections, subsections, clauses or provisions of this Grant Agreement.

33. Taxes.

The State is exempt from most state and local taxes and many federal taxes. The State will not be responsible for any taxes levied on the Grantee as a result of this Grant Agreement.

34. Waiver of Rights.

No right conferred on either party under this Grant Agreement shall be deemed waived, and no breach of this Grant Agreement excused, unless such waiver is in writing and signed by the party claimed to have waived such right. Neither the State's review, approval or acceptance of, nor payment for, the services required under this Grant Agreement shall be construed to operate as a waiver of any rights under this Grant Agreement or of any cause of action arising out of the performance of this Grant Agreement, and the Grantee shall be and remain liable to the State in accordance with applicable law for all damages to the State caused by the Grantee's negligent performance of any of the services furnished under this Grant Agreement.
