This Contract, entered into by and between **Indiana State Department of Health** (hereinafter referred to as "State") and **Improving Kids' Environment, Inc.** (hereinafter referred to as "Contractor"), is executed pursuant to the terms and conditions set forth herein. In consideration of those mutual undertakings and covenants, the parties agree as follows:

1. Duties of Contractor

The Contractor shall assess, using a survey or other data gathering mechanism, among key stakeholders the awareness of environmental hazards for asthma and construction and renovation techniques to reduce environmental hazards for asthma in homes, rental properties and commercial buildings. This activity will provide baseline data for asthma activities. This project is described fully in Attachment A, attached hereto, and made a part hereof and incorporated herein by reference as part of this Contract.

2. Consideration

The Contractor will be paid monthly in arrears using the rates set out on Attachment A, attached hereto and hereby incorporated into this Contract. Total remuneration under this Contract shall not exceed \$21,000.

3. Term

This Contract shall commence on September 1, 2005 and shall remain in effect through August 31, 2006.

4. Access to Records

The Contractor and its subcontractors shall maintain all books, documents, papers, accounting records, and other evidence (Records) pertaining to costs incurred, for inspection by the State or by any other authorized representative of the State and copies thereof shall be furnished at no cost to the State if requested. The Contractor and its subcontractors shall make all Records available at their respective offices at all reasonable times during the Contract period and for three (3) years from the date of final payment under the Contract or until an audit has been completed and all audit exceptions cleared.

5. Assignment; Successors

The Contractor binds its successors and assignees to all the terms and conditions of this Contract. The Contractor shall not assign or subcontract the whole or any part of this Contract without the State's prior written consent. The Contractor may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the State, provided that Contractor gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Contract and shall not be made to more than one party.

6. Audits

Contractor acknowledges that it may be required to submit to an audit of funds received through this Contract. Any such audit shall be conducted in accordance with IC 5-11-1 and audit guidelines specified by the State.

7. Authority to Bind Contractor

The signatory for the Contractor represents that he/she has been duly authorized to execute this Contract on behalf of the Contractor and has obtained all necessary or applicable approvals to make this Contract fully binding upon the Contractor when his/her signature is affixed, and this Contract is not subject to further acceptance by Contractor when accepted by the State of Indiana.

8. Changes in Work

The Contractor shall not commence any additional work or change the scope of the work until authorized in writing by the State. No claim for additional compensation shall be made in the absence of a prior written approval executed by all signatories hereto.

9. Compliance with Laws

- A. The Contractor shall comply with all applicable federal, state and local laws, rules, regulations and ordinances, the provisions of which are incorporated by reference. The enactment or amendment of any applicable state or federal statute or the promulgation of any rules or regulations thereunder after execution of this Contract shall be reviewed by the State and the Contractor to determine whether the provisions of this Contract require formal modification.
- B. The contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6 et seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If the contractor is not familiar with these ethical requirements, the contractor should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <<<<http://www.in.gov/ethics/>>>>. If the contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this contract immediately upon notice to the contractor. In addition, the contractor may be subject to penalties under Indiana Code § 4-2-6-12.
- C. The Contractor certifies by entering into this Agreement that neither it nor its principal(s) is presently in arrears in payment of its taxes, permit fees or other statutory, regulatory or judicially required payments to the State of Indiana. Further, the Contractor agrees that any payments in arrears and currently due to the State of Indiana may be withheld from payments due to the Contractor. Additionally, further work or payments may be withheld, delayed, or denied and/or this Agreement suspended until the Contractor is current in its payments and has submitted proof of such payment to the State.

- D. The Contractor warrants that it has no current or outstanding criminal, civil, or enforcement actions initiated by the State of Indiana pending, and agrees that it will immediately notify the State of any such actions. During the term of such actions, Contractor agrees that the State may delay, withhold, or deny work under any Supplement or contractual device issued pursuant to this Agreement.
- E. If a valid dispute exists as to the Contractor's liability or guilt in any action initiated by the State of Indiana or its agencies, and the State decides to delay, withhold, or deny work to the Contractor, the Contractor may request that it be allowed to continue, or receive work, without delay. The Contractor must submit, in writing, a request for review to the Indiana Department of Administration (IDOA) following the procedures for disputes outlined herein. A determination by IDOA shall be binding on the parties.
- F. Any payments that the State may delay, withhold, deny, or apply under this section shall not be subject to penalty or interest under IC 5-17-5.
- G. The Contractor warrants that the Contractor and its subcontractors, if any, shall obtain and maintain all required permits, licenses, and approvals, as well as comply with all health, safety, and environmental statutes, rules, or regulations in the performance of work activities for the State. Failure to do so is a material breach of the contract and grounds for immediate termination of the Agreement and denial of further work with the State.
- H. The Contractor hereby affirms that it is properly registered and owes no outstanding reports with the Indiana Secretary of State.
- I. Contractor agrees that the State may confirm, at any time, that no liabilities exist to the State of Indiana, and, if such liabilities are discovered, that State may bar Contractor from contracting with the State in the future, cancel existing contracts, withhold payments to setoff such obligations, and withhold further payments or purchases until the entity is current in its payments on its liability to the State and has submitted proof of such payment to the State.
- J. Compliance with Telephone Solicitations Act.

11. Ownership of Documents and Materials - Deleted

12. Confidentiality of State Information - Deleted

13. Conflict of Interest

A. As used in this section:

"Immediate family" means the spouse and the unemancipated children of an individual.

"Interested party," means:

1. The individual executing this contract;
2. An individual who has an interest of three percent (3%) or more of Contractor, if Contractor is not an individual; or
3. Any member of the immediate family of an individual specified under subdivision 1 or 2.

"Commission" means the State Ethics Commission.

- B. The Department may cancel this Contract without recourse by Contractor if any interested party is an employee of the State of Indiana.
- C. The Department will not exercise its right of cancellation under section B above if the Contractor gives the Department an opinion by the Commission indicating that the existence of this Contract and the employment by the State of Indiana of the interested party does not violate any statute or rule relating to ethical conduct of state employees. The Department may take action, including cancellation of this Contract consistent with an opinion of the Commission obtained under this section.
- D. Contractor has an affirmative obligation under this Contract to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this section extends only to those facts that Contractor knows or reasonably could know.

14. Continuity of Services – Deleted

15. Debarment and Suspension

The Contractor certifies, by entering into this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor. The Contractor also further certifies that it has verified the suspension and debarment status for all sub-contractors receiving funds under this Contract and is solely responsible for any paybacks and or penalties that might arise from non-compliance.

16. Default by State

If the State, sixty (60) days after receipt of written notice, fails to correct or cure any breach of this Contract, then the Contractor may cancel and terminate this Contract and collect all monies due up to and including the date of termination.

17. Disputes

- A. Should any disputes arise with respect to this Contract, the Contractor and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the State for such costs. If the State and the Contractor cannot resolve a dispute within ten (10) working days following notification in writing by either party of the existence of a dispute, then the following procedure shall apply:

The parties agree to resolve such matters through submission of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Contractor and the State within ten (10) working days after presentation of such dispute for action. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute may be submitted to an Indiana court of competent jurisdiction.

The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for Contractor to terminate this Contract, and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.

18. Drug-Free Workplace Certification

The Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. The Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor has been convicted of a criminal drug violation occurring in the Contractor's workplace.

False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total contract amount set forth in this Contract is in excess of \$25,000.00, Contractor hereby further agrees that this agreement is expressly subject to the terms, conditions, and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all contracts and grants from the State of Indiana in excess of \$25,000.00. No award of a contract shall be made, and no contract, purchase order or agreement, the total amount of which exceeds \$25,000.00, shall be valid, unless and until this certification has been fully executed by the Contractor and made a part of the contract or agreement as part of the contract documents.

The Contractor certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying them that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;

- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- D. Notifying in writing the State within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;

- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and

Neither party will assume liability for any injury (including death) to any persons, or damage to any property arising out of the acts or omissions of the agents, employees or subcontractors of the other party.

Breach of this covenant may be regarded as a material breach of this Contract. The Contractor's execution of this Contract also signifies compliance with applicable federal laws, regulations, and executive orders prohibiting discrimination in the provision of services based on race, color, national origin, age, sex, disability or status as a veteran.

The Contractor understands that the State is a recipient of federal funds.
