**GRANT AGREEMENT
EDS # A70-4-070554**

**61900-573100-40010568TEFAP14
TEFAP 1040 7**

This Grant Agreement (this "Grant Agreement") entered into by and between the **Indiana State Department of Health (the State)** and **The Gleaners Food Bank of Indiana Inc (the Grantee)** is executed pursuant to the terms and conditions set forth herein. In consideration of those mutual undertakings and covenants the parties agree as follows:

1 Purpose of this Grant Agreement Grant Funds

The purpose of this Grant Agreement is to enable the State to award a grant from the State of Indiana's Federally Funded **The Emergency Food Assistance Program Fund of \$150,000** to the Grantee for eligible costs of the project (the "Project") or services as described in Attachment A of this Grant Agreement, which is attached hereto and incorporated herein. The funds shall be used exclusively in accordance with the provisions contained in this Grant and in conformance with IC §16-19-3-24.5 establishing the authority to make this Grant, as well as any rules adopted thereunder. The funds received by the Grantee pursuant to this Grant Agreement shall be used only to implement the Project or provide the services in conformance with this Grant Agreement to **store and transport USDA commodities to other food banks throughout the state's service areas** as described fully in Attachment A and for no other purpose.

2 Representations and Warranties of the Grantee

- A The Grantee expressly represents and warrants to the State that it is statutorily eligible to receive these Grant funds and that the information set forth in its grant application is true, complete, and accurate. The Grantee expressly agrees to promptly repay all funds paid to it under this Grant Agreement should it be determined either that it was ineligible to receive the funds or it made any material misrepresentation on its grant application.
- B The Grantee certifies by entering into this Grant Agreement that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Grant Agreement by any federal or state department or agency. The term "principal" for purposes of this Grant Agreement is defined as an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of the Grantee.
- C The undersigned also certifies that it and its principals
 - 1 Have not within a three-year period preceding this response been convicted of or had a criminal offense in connection with obtaining, attempting to obtain, or performing a public (Federal, State, or local) transaction; violation of Federal or State anti-trust statutes; or commission of embezzlement, theft, forgery, bribery, falsification or destruction of records, making false statements, or receiving stolen property.

- 2 Are not presently indicted for or otherwise criminally or civilly charged by a governmental entity (Federal State or local) terminated for cause or default
 - 3 Have not within a three-year period preceding this certification had a one or more public transactions (Federal State or local) terminated for cause or default
- D Where the undersigned is unable to certify to any of the statements in this certification an explanation shall be attached to this Grant Agreement

3 Implementation of and Reporting on the Project.

- A The Grantee shall implement and complete the Project in accordance with **Attachment A** and with the plans and specifications contained in its Grant Application which is on file with the State and is incorporated by reference Modification of the Project shall require prior written approval of the State
- B The Grantee shall submit to the State written progress reports until the completion of the Project These reports shall be submitted on a monthly basis and shall contain such detail of progress or performance on the Project as is requested by the State
- C The failure to provide progress reports as requested by the State is considered a material breach of the Grant Agreement and shall entitle the State to impose sanctions against the Grantee Sanctions may include but are not limited to suspension of all Grant Agreement payments and/or suspension of the Grantee's participation in State contract programs until such time as all material breaches are cured to the State's satisfaction Sanctions may also include repayment of all State funds expended for activities that are not in the scope of this project as set forth in Attachment A of this Grant Agreement

4 Term

This Grant Agreement shall commence on **October 1 2013** (the Commencement Date) and shall remain in effect through **September 30 2014** (the Expiration Date) In no event shall payments be made for work done or services performed before the Commencement Date or after the Expiration Date

5 Grant Funding

- A The State shall fund this grant in the amount of **\$150 000** The approved Project Budget is set forth as **Attachment B** of this Grant Agreement attached hereto and incorporated herein The Grantee shall not spend more than the amount for each line item in the Project Budget without the prior written consent of the State nor shall the Project costs funded by this Grant Agreement and those funded by any local and/or private share be changed or modified without the prior written consent of the State
- B The disbursement of grant funds to the Grantee shall not be made until all documentary materials required by this Grant Agreement have been received and approved by the State and this Grant Agreement has been fully approved by the State

6 Payment of Claims

- A** Unless otherwise authorized by statute and agreed to in this Grant Agreement all payments shall be made 35 days in arrears in conformance with State fiscal policies and procedures and as required by IC §4-13-2-14-8 by electronic funds transfer to the financial institution designated by the Grantee in writing. If advance payment of a portion of the grant funds is permitted by statute and the State agrees to provide such advance payment it shall be made only upon submission of a proper claim setting out the intended purposes of those funds. After such funds have been expended Grantee shall provide State with a reconciliation of those expenditures.
- B** Requests for payment will be processed only upon presentation of a Claim Voucher in the form designated by the State. Such Claim Vouchers must be submitted with the budget expenditure report detailing disbursements of state local and/or private funds by project budget line items.
- C** The State may require evidence furnished by the Grantee that substantial progress has been made toward completion of the Project prior to making the first payment under this Grant. All payments are subject to the State's determination that the Grantee's performance to date conforms with the Project as approved notwithstanding any other provision of this Grant Agreement.
- D** Claims shall be submitted to the State within 20 calendar days following the end of the month in which work on or for the Project was performed. The State has the discretion and reserves the right to NOT pay any claims submitted later than 30 calendar days following the end of the month in which the services were provided. All final claims and reports must be submitted to the State within 60 calendar days after the expiration or termination of this agreement. Payment for claims submitted after that time may at the discretion of the State be denied. Claims may be submitted on a monthly basis only unless otherwise specified in **Attachment A**. If Grant funds have been advanced and are unexpended at the time that the final claim is submitted all such unexpended grant funds must be returned to the State.
- E** Claims must be submitted with accompanying supportive documentation as designated by the State. Claims submitted without supportive documentation will be returned to the Grantee and not processed for payment. Failure to comply with the provisions of this Grant Agreement may result in the denial of a claim for payment.

7 Project Monitoring by the State

The State may conduct on-site or off site monitoring reviews of the Project during the term of this Grant Agreement and for up to ninety (90) days after it expires or is otherwise terminated. The Grantee shall extend its full cooperation and give full access to the Project site and to relevant documentation to the State or its authorized designees for the purpose of determining among other things:

A whether Project activities are consistent with those set forth in **Attachment A**, the grant application and the terms and conditions of the Grant Agreement.

B the actual expenditure of state local and/or private funds expended to date on the Project is in conformity with the amounts for each Budget line item as set forth in **Attachment B** and that unpaid costs have been properly accrued.

C that Grantee is making timely progress with the Project and that its project management financial management and control systems procurement systems and methods and overall performance are in conformance with the requirements set forth in this Grant Agreement and are fully and accurately reflected in Project reports submitted to the State

8 Audits and Maintenance of Records

- A Grantee shall submit to an audit of funds paid through this Grant Agreement and shall make all books accounting records and other documents available at all reasonable times during the term of this Grant Agreement and for a period of three (3) years after final payment or until the date of the management letter if an audit is performed for inspection by the State or its authorized designee. Copies shall be furnished to the State at no cost. The Grantee shall comply with the requirements of 7 CFR § 3016.42.
- B If required by applicable provisions of the Office of Management and Budget Circular A 133 (Audits of States Local Governments and Non Profit Organizations) or if requested by the State annually and following the expiration of this Grant Agreement the Grantee shall arrange for a financial and compliance audit of funds provided by the State pursuant to this Grant Agreement. Such audit is to be conducted by an independent public or certified public accountant (or as applicable the Indiana State Board of Accounts) and performed in accordance with Indiana State Board of Accounts publication entitled Uniform Compliance Guidelines for Examination of Entities Receiving Financial Assistance from Governmental Sources and applicable provisions of the Office of Management and Budget Circulars A 133 (Audits of States Local Governments and Non-Profit Organizations). The Grantee is responsible for ensuring that the audit and any management letters are completed and forwarded to the State in accordance with the terms of this Grant Agreement. Audits conducted pursuant to this paragraph must be submitted no later than nine (9) months following the close of the Grantee's fiscal year. The Grantee agrees to provide the Indiana State Board of Accounts and the State an original of all financial and compliance audits. The audit shall be an audit of the actual entity or distinct portion thereof that is the Grantee and not of a parent member or subsidiary corporation of the Grantee except to the extent such an expanded audit may be determined by the Indiana State Board of Accounts or the State to be in the best interests of the State. The audit shall include a statement from the Auditor that the Auditor has reviewed this Grant Agreement and that the Grantee is not out of compliance with the financial aspects of this Grant Agreement.

22 Authority to Bind

The signatory for the Grantee represents that he/she has been duly authorized to execute this Grant Agreement on behalf of the Grantee and has obtained all necessary or applicable approvals to make this Grant Agreement fully binding upon the Grantee when his/her signature is affixed and accepted by the State.

23 Confidentiality Of State Information

The Grantee understands and agrees that data, materials, and information disclosed to the Grantee may contain confidential and protected information. The Grantee covenants that data, material, and information gathered based upon or disclosed to the Grantee for the purpose of this Grant Agreement will not be disclosed to or discussed with third parties without the prior written consent of the State.

The parties acknowledge that the services to be performed by the Grantee for the State under this Grant Agreement may require or allow access to data, materials, and information containing Social Security numbers or other personal information maintained by the State in its computer system or other records. In addition to the covenant made above in this section and pursuant to 10 IAC 5-3-1(4), the Grantee and the State agree to comply with the provisions of IC 4-1-10 and IC 4-1-11. If any Social Security number(s) or personal information (as defined in IC 4-1-11(3)) is/are disclosed by the Grantee, the Grantee agrees to pay the cost of the notice of disclosure of a breach of the security of the system in addition to any other claims and expenses for which it is liable under the terms of this Grant Agreement.

24 Disputes

- A. Should any disputes arise with respect to this Grant, the Grantee and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Grantee agrees that the existence of a dispute notwithstanding, it will continue without delay to carry out all of its responsibilities under this Grant that are not affected by the dispute. Should the Grantee fail to continue to perform its responsibilities regarding all non-disputed work without delay, any additional costs incurred by the State or the Grantee as a

result of such failure to proceed shall be borne by the Grantee and the Grantee shall make no claim against the State for such costs

- C If a party to the Grant is not satisfied with the progress toward resolving a dispute the party must notify in writing the other party of this dissatisfaction. Upon written notice the parties have ten (10) working days unless the parties mutually agree to extend this period following the notification to resolve the dispute. If the dispute is not resolved within ten (10) working days a dissatisfied party shall submit the dispute in writing according to the following procedure

The parties agree to resolve such matters through submission in writing of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Grantee and the State within ten (10) working days after presentation of such dispute for action. The presentation may include a period of negotiations, clarifications, and mediation sessions and will not terminate until the Commissioner or one of the parties concludes that the presentation period is over. The Commissioner's decision shall be final and conclusive administrative decision unless either party mails or otherwise furnishes to the Commissioner within ten (10) working days after receipt of the Commissioner's decision a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal the decision may be reconsidered. If no reconsideration is provided within ten (10) working days the parties may mutually agree to submit the dispute to arbitration or mediation for a determination. If a party is not satisfied with the Commissioner's ultimate decision the dissatisfied party may submit the dispute to an Indiana court of competent jurisdiction.

- D The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Grantee of one or more invoices not in dispute in accordance with the terms of this Grant will not be cause for the Grantee to terminate this Grant and the Grantee may bring suit to collect these amounts without following the disputes procedure contained herein.

25 Indemnification

The Grantee agrees to indemnify, defend, and hold harmless the State, its agents, officials, and employees from all claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Grantee and/or its subgrantees, if any, in the performance of this Grant Agreement. The State shall not provide such indemnification to the Grantee.

26 Independent Contractor

Both parties hereto, in the performance of this Grant Agreement, shall act in an individual capacity and not as agents, employees, partners, joint venturers, or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume liability for any injury (including death) to any persons or damage to any property arising out of the acts or omissions of the agents, employees, or subgrantees of the other party.

The Grantee shall be responsible for providing all necessary unemployment and workers compensation insurance for the Grantee's employees

27 Licensing Standards

The Grantee, its employees and subgrantees shall comply with all applicable licensing standards, certification standards, accrediting standards and any other laws, rules or regulations governing services to be provided by the Grantee pursuant to this Grant Agreement. The State will not pay the Grantee for any services performed when the Grantee, its employees or subgrantees are not in compliance with such applicable standards, laws, rules or regulations. If any license, certification or accreditation expires or is revoked, or any disciplinary action is taken against an applicable license, certification or accreditation, the Grantee shall notify the State immediately and the State, at its option, may immediately terminate this Grant Agreement.

28 Ownership of Documents and Materials.

All documents, records, programs, data, film, tape, articles, memoranda and other materials not developed or licensed by the Grantee prior to execution of this Grant Agreement, but specifically developed under this Grant Agreement shall be considered "work for hire" and the Grantee transfers any ownership claim to the State and all such materials will be the property of the State. Use of these materials other than related to Grant Agreement performance by the Grantee without the prior written consent of the State is prohibited. During the performance of this Grant Agreement, the Grantee shall be responsible for any loss of or damage to these materials developed for or supplied by the State and used to develop or assist in the services provided while the materials are in the possession of the Grantee. Any loss or damage thereto shall be restored at the Grantee's expense. The Grantee shall provide the State full, immediate and unrestricted access to the work product during the term of this Grant Agreement.

29 Penalties/Interest/Attorney's Fees

The State will in good faith perform its required obligations hereunder and does not agree to pay any penalties, liquidated damages, interest or attorney's fees, except as permitted by Indiana law in part IC 5-17-5, IC 34-54-8 and IC 34-13-1.

Notwithstanding the provisions contained in IC 5-17-5, any liability resulting from the State's failure to make prompt payment shall be based solely on the amount of funding originating from the State and shall not be based on funding from federal or other sources.

30 Remedies Not Impaired

No delay or omission of either party in exercising any right or remedy available under this Grant Agreement shall impair any such right or remedy or constitute a waiver of any default or any acquiescence thereto.

31 HIPAA Compliance

If this Contract involves services, activities or products subject to the Health Insurance Portability and Accountability Act of 1996 (HIPAA), the Contractor covenants that it will appropriately safeguard Protected Health Information (defined in 45 CFR 160.103) and agrees

that it is subject to and shall comply with the provisions of 45 CFR 164 Subpart E regarding use and disclosure of Protected Health Information

If any final regulation or body of regulations relating to the administrative simplifications provision of the Health Insurance Portability and Accountability Act of 1996 (Final HIPAA Regulations") or any amendment or judicial or administrative interpretation of the Final HIPAA regulations prohibits restricts limits or materially and adversely affects either party's right or obligations hereunder the parties shall negotiate in good faith reasonable revisions to this Contract The purpose of the negotiations shall be to revise the Contract so that the affected party can comply and/or act in accordance with such Final HIPAA regulations or amendment or judicial or administrative interpretation thereof and avoid or mitigate such prohibition restriction limitation or material and adverse effect If the parties fail to agree to such revisions within forty five (45) days after written notice from the affected party requesting negotiations under this paragraph this Contract shall terminate If so terminated the Contractor shall return or destroy all protected health information received from created or received by the Contractor on behalf of the State The Contractor shall retain no copies of such information in any form if feasible If not feasible the Contractor bears the responsibility of ensuring that the protected health information is maintained in a secure and confidential manner

32 Severability

The invalidity of any section subsection clause or provision of this Grant Agreement shall not affect the validity of the remaining sections subsections clauses or provisions of this Grant Agreement

33 Taxes

The State is exempt from most state and local taxes and many federal taxes The State will not be responsible for any taxes levied on the Grantee as a result of this Grant Agreement

34 Waiver of Rights

No right conferred on either party under this Grant Agreement shall be deemed waived and no breach of this Grant Agreement excused unless such waiver is in writing and signed by the party claimed to have waived such right Neither the State's review approval or acceptance of nor payment for the services required under this Grant Agreement shall be construed to operate as a waiver of any rights under this Grant Agreement or of any cause of action arising out of the performance of this Grant Agreement and the Grantee shall be and remain liable to the State in accordance with applicable law for all damages to the State caused by the Grantee's negligent performance of any of the services furnished under this Grant Agreement

35 State Boilerplate Affirmation Clause

I swear or affirm under the penalties of perjury that I have not altered modified or changed the State's Boilerplate clauses (as defined in the 2012 OAG/IDOA *Professional Services Contract Manual*) in any way except for the following clauses which are named below

Attachment A
SCOPE OF WORK
TEFAP Storage and Transportation

A Basic Requirements

The Emergency Food Assistance Program (TEFAP) will handle a wide variety of foods. During any given year gross weight can increase or decrease with the potential quantity and variety of USDA food products. Contractor agrees to accept, store, handle, deliver and maintain records for all items and quantities ordered by the State in accordance with standards set forth in 7 C.F.R. Parts 251 and 250 and the TEFAP manual.

B Consideration

The Contractor will provide monthly detailed invoices specifically for delivery to the food banks listed at the end of this document.

- 1 Contractor shall submit invoices at least monthly as follows
 - a. Initial invoices for handling and storage fees will be submitted within thirty (30) days of the end of the month in which the USDA food products arrive
 - b. Subsequent invoices for transportation costs will be submitted within sixty (60) days of receipt of the invoice from the transportation provider
 - c. Invoices shall be submitted on a claim form prepared by the State and pursuant to claim preparation instructions issued by the State
- 2 All payment obligations shall be made in arrears in accordance with Indiana law and State fiscal policies, and procedures

C Monthly Storage Costs

- 1 For USDA dry food products the State shall pay storage fees of thirteen (13) cents per case
2. For USDA refrigerated food products, the State shall pay storage fees of seventeen (17) cents per case
- 3 For USDA frozen food products, the State shall pay storage fees of twenty-one (21) cents per case
- 4 For USDA food products that Contractor has received, a one (1) time receiving charge of forty-eight (48) cents per case shall be paid by the State

D Transportation

- 1 The State shall pay Contractor a flat rate of \$3.26 per mile, not to exceed \$500.00 per round trip, using contractor owned or leased vehicles. To be detailed in Contractor's monthly invoice
- 2 The State shall pay a onetime pass through fee from third party shipping transportation providers. The contractor will supply the state with third party invoices along with regular contractor monthly invoices
- 3 The contractor will utilize the most cost efficient method of transportation

E Warehousing

- 1 Contractor must maintain USDA Warehousing Standards**
- 2 Contractor shall provide State-approved dry cold or frozen storage of commodities necessary to preserve the commodities prior to and until distribution by Grantee, in accordance with the standards set forth in 7 C.F.R. Parts 251 and 250**
- 3 Grantee shall be solely responsible for loss, damage to or destruction of the USDA commodities due to its negligence, or the negligence of its subcontractors, including the failure to properly store the products**
- 4 The State will work with Contractor on the delivery periods with respect to the gross weight of products ordered beginning October 1 and ending September 30 of the fiscal year. The State will provide Contractor with notice of expected food product arrivals. Contractor has been provided with read-only access to Web Based Supply Chain Management (WBSCM) to further assist them in anticipating delivery dates of product ordered**
- 5 If the quantity of USDA food product received exceeds capacity, Contractor shall be responsible for securing additional space required to adequately provide proper storage for the USDA food products. Space secured by Contractor for this purpose shall meet all specifications and other requirements for warehousing as set forth in USDA warehousing standards. Any additional expenses connected with securing, transfer and transportation to and from the outside storage site shall be the obligation of Contractor and approved by the state**

F Truck Requirements

- 1 Contractor must demonstrate capacity for all USDA food products shipped as follows**
 - a Ability to unload a minimum of three (3) trucks (minimum of 42,000 pounds) per day**
 - b. Ability to unload slip-sheets within 6 hours of receipt to avoid additional charges for detention.**
- 2 Contractor agrees to assume responsibility for all freight demurrage and/or detention charges unless the State and/or USDA specifically exempt such charges in writing**

G Delivery Vehicle Requirements

- 1 Contractor will demonstrate adequate delivery vehicles to distribute the USDA food products including the delivery of dry products, refrigerated products, and frozen products**
 - a. Single compartment refrigerated trucks (10° and/or minus 0°F) for separate or integrated deliveries of dry products, refrigerated, and frozen foods. Frozen foods must be shipped separately from dry and refrigerated food items**
- 2 The number of vehicles required depends on the size of the trucks and will vary by region and delivery period**

H. Inbound Freight

- 1 All USDA food products shipped to Contractor will be totally prepaid i.e. product and freight, by USDA
- 2 Contractor will be notified of truck shipments as soon as USDA notifies the State
- 3 Contractor shall receive USDA food products from the tailgate of a USDA truck contractor providing transportation for USDA foods products USDA does request that a twenty four (24) hour notification be given to Contractor as a courtesy Contractor cannot refuse deliveries or request specific times unless mutually agreed upon by the USDA truck and Contractor Contractor may refuse deliveries that are after 4 00 PM or appointment times given by USDA s contractor that are left on voice mail
- 4 Contractor must maintain a log of the USDA shipper/truck contractor calls The log should contain the following information
 - a Name of the USDA truck contractor (firm and driver for truck deliveries)
 - b Date and time of notification of delivery
 - c. Date and time of arrival
 - d Date and time unloading commences,
 - e. Date and time unloading is completed and
 - f. Signatures of consignee or designated representative and USDA truck contractor s representative
- 5 Upon receiving a USDA food product shipment, Contractor must note
 - a. Condition of truck seal
 - b Seal number
 - c. Condition of the load
 - d. Substantial bracing of load

After the shipment inspection the unloading process may begin If the USDA food product received is in a refrigerated truck, the temperature at the time of opening should be noted and recorded on the unloading tally and the Bill-of Lading
- 6 In instances where the loading is over short, or damaged the USDA truck contractor s representative shall be notified and a joint inspection requested The time and name of the USDA truck contractor s representative shall be noted on the Forwarding Notice, Report of Shipment Received Over Short, and/or Damaged and the Complaint Worksheet for USDA food products If possible the joint inspection shall be made within forty-eight (48) hours of the request.
- 7 In the event that the USDA truck contractor does not respond to the inspection request, Contractor shall explicitly follow the instructions on the USDA Complaint Worksheet (Exhibit G in the TEFAP Policy and Procedures Manual) concerning documentation pertaining to the receipt of damaged over or short shipment USDA food products
- 8 Contractor shall download level off and brace outbound split shipments in accordance with standard industry practice

I Diversion of USDA Shipments

- 1 Changes from the normal destination of USDA shipments must be made by the State at the time USDA food products are ordered

- 2 A destination change request from Contractor once a food requisition has been entered, will only be possible under extreme emergency circumstances (such as fire flood or other disaster of natural or human origin) that would render the original destination facility inaccessible or otherwise unfit for storage of USDA food products
- 3 Diversion of any USDA shipments may be arranged between Contractor and the USDA truck contractor prior to or at the time of shipment notification. However any additional cost incurred by USDA, because of a diverted shipment, shall be borne by Contractor who initiated the change in destination. Contractor shall inform the State immediately of any such diversion arrangements
- 4 Contractor shall receive inbound freight in accordance with acceptable industry practices. Contractor shall also be responsible for the following:
 - a Inspect the condition of the arriving load for count verification. The State should be notified immediately of any problems with condition or quantity. The State will require an USDA Complaint Worksheet (referred to in Paragraph 6 g. herein) be completed for discrepancies that amount to \$100 or more in product value. The State will enter the complaint into WBSCM
 - b The State must receive the Bill of Lading within forty-eight (48) hours of receipt of food product. Scanned copies of Bills of Lading should be sent to the e-mail addresses of both Program Director and Program Coordinator. If any Bill of Lading is faxed to the State, it must be copied on white paper prior to faxing.
 - c Salvage all damaged USDA food products that are suitable for program use
 - d Contractor agrees to assume responsibility for all freight demurrage and/or detention charges, which accrue to Contractor unless the State and/or USDA specifically exempt such charges in writing
 - e Contractor is liable for any claims levied by USDA against Contractor or the State because of Contractor's failure to properly secure, handle, or account for USDA shipments
 - f Maintain capability to accept both palletized and slip-sheeted USDA food products. Any additional expense incurred by Contractor because of the lack of proper slip sheet handling equipment will be the responsibility of Contractor
 - g Pallet exchange is acceptable if USDA truck contractor's representative agrees and the exchange is in accordance with standard industry practice
 - h Contractor is liable for damaged loads that are to be held for replacement, storage, and handling and only one (1) month's storage charge will be paid per load of same product. Re-stacking of bad product will be charged to USDA truck contractor

J Stock Rotation

All stock must be rotated on a First In, First Out (FIFO) basis in accord with acceptable warehousing practices. Contractor must have a system in place that insures proper stock rotation.

K Outbound Deliveries

- 1 USDA products will be shipped to various areas in the state

- 2 Products being shipped to food banks and third party storage facilities across state lines will be delivered by an outside carrier as selected by the Contractor to satisfy delivery requirements outside of Indiana and will be billed to the State by the ERA
- 3 The State will notify Contractor of product shipments to the Eligible Recipient Agencies (ERAs)
- 4 Contractor must stage and palletize loads for outbound shipments. Pallets are to be loaded in reverse order of delivery
- 5 Contractor driver and warehouseman are to count and inspect food product being loaded out. The State will provide Contractor with a "Notice to Deliver" form that is to be completed by Contractor and the ERAs
- 6 Special or intermediate deliveries will be required if a delivery is short or contains different USDA food products than were ordered. In this case Contractor will arrange delivery at their expense with the ERA to which the product was delivered. Correction of product delivery should be made within forty-eight (48) hours or by mutual agreement at another convenient time
- 7 All shipments must be mutually pre-arranged with the ERAs for date and time of delivery
- 8 Shipments will normally be between one-half (1/2) full to full semi truck loads. If a small (i.e. 40 cases or less) shipment is necessary it will be piggybacked or combined with other shipments
- 9 Contractor shall follow all standard industry practice pertaining to deliveries when addressing unusual delivery situations
- 10 ERA shall verify accuracy of items, quantities of each item, total quantities, and condition of USDA food products. Variances from normal deliveries such as short, over or damage, must be noted in the appropriate delivery receipt notations. The "Notice to Deliver" must then be signed and dated by both the ERA and Contractor's driver
- 11 Contractor shall verify accuracy of items, quantities of each item, total quantities, and condition of USDA food products. Variances from normal deliveries such as short, over or damage, must be noted in the appropriate delivery receipt notations. The "Notice to Deliver" must then be signed and dated by both the ERA and Contractor's driver

L. Straight or Mixed Loads

Contractor may put USDA food products in loads containing USDA food products or non USDA food items. Frozen foods must be shipped separately from dry and refrigerated food items. Food items may not be stored or delivered with boxes marked as toxic, chemicals, or other products which may be harmful to the quality or safety of the food.

M. Special Deliveries

Special or intermediate deliveries will be required if Contractor fails to deliver a product in stock. Should this occur Contractor should make delivery within forty-eight (48) hours or by mutual agreement at another convenient time. Contractor shall not assess the State or the ERAs additional storage or delivery fees for this service.

N Review and Inspection Requirements

- 1 Contractor shall allow authorized representatives of the State and/or USDA to inspect their facility and material handling equipment, inspect and inventory all USDA food products stored pursuant hereto and review all records pertaining to such USDA food product, during any normal business hour. Such inspection will not in any way act to relieve Contractor of any responsibilities under this contract or under law nor constitute a waiver of the requirement of notification to the State in the event that deterioration, infestation or other change of condition is detected in any of the USDA food products stored pursuant hereto.
- 2 The State may conduct a review and/or physical inventory. USDA food products which are identified as lost, stolen, damaged, or otherwise unavailable for distribution to the ERAs may result in claim action against Contractor. Written notification of a pending review and/or physical inventory will be sent to Contractor at least ten (10) working days prior to the review date. The use of Contractor's labor and equipment for conducting such reviews/physical inventories shall be at no additional cost to the State. A minimum of one (1) representative of Contractor shall accompany the State personnel during such reviews and/or physical inventories.
- 3 All Contractor facilities must be in continuous compliance with the U.S. Food and Drug Administration guidelines pertaining to storage of manufactured foods and applicable USDA Storage and Handling regulations.

O Insurance

- 1 Contractor shall fulfill those responsibilities pertaining to the proper care, distribution and accounting of USDA food products by providing insurance as follows:
 - a "All Risk" contents insurance at Contractor facilities with coverage equal to the market value of the USDA food products in Contractor facilities at any one time.
 - b "All Risk" transit insurance during the transportation of the USDA food products with coverage equal to the market value of USDA food products on delivery vehicles at any one time.

P Reports and other Requirements

- 1 Receiving. All documents relating to the receipt of USDA food products, including those supplied by the State, shall be forwarded to the State immediately upon unloading and verification of receipts.
- 2 Inventory. Reports pertaining to inventory control shall be submitted to the State every thirty (30) days.
- 3 Summary. Report of the USDA food product inventories status for the State accounts shall be submitted by the tenth (10th) of the month following the month to which the reports pertain.
- 4 7 CFR 251.2(d)(1)(i). Eligible Recipient Agencies (ERAs) agree to operate the program in accordance with the requirements of this part and, as applicable, Part 250.

Q Responsibility and Control of USDA Food Products

- 1 USDA food products that are determined to be unfit and are in such a condition to introduce an infestation, contaminate other foods, or which have been condemned by federal, state or local health officials shall be handled and/or destroyed in accordance with applicable health and sanitation laws Contractor is responsible for ensuring that the proper notations are made on the delivery receipts and that all required forms are completed and forwarded to the State Contractor is responsible for properly responding to the State about inquiries concerning deliveries, damaged USDA food products, or other problems initiated by the ERAs
- 2 Contractor WILL NOT be paid for delivery of any item which is documented to be unfit for program use because of damage sustained while in transit aboard Contractor s delivery vehicle or as a direct result of improper storage and/or damage while stored at Contractor

R. Shortage and Damages

- 1 Contractor shall be financially responsible for shortages and damages to products or packages which make them unacceptable to ERAs Damages may include but are not limited to insect and rodent infestation because of improper storage, mold mildew or other quality altering contamination, and physical damage to containers including rust.
- 2 In the event that deterioration infestation or other changes are detected in the condition of any of the USDA food products stored pursuant hereto Contractor shall notify the State immediately in writing, and shall take all reasonable steps necessary for the care and protection of all such USDA food products Pending instructions from the State any reasonable costs incurred by Contractor in carrying out such care and protective measures will be invoiced to the State on a separate and itemized invoice The State will pay invoices after due consideration is given to the circumstances surrounding such invoices No part of the invoiced amounts will include expenses incidental to the care and protective measures ordinarily required of Contractor in the normal course of business
- 3 At any time, should a shortage or a damage incident result in a discrepancy between the physical and book inventory such discrepancies shall be reconciled between Contractor and the State as soon as possible After due consideration reconcilable discrepancies will be settled by computing the value of the foods lost based on the most current USDA market value" at the time the loss was reported This monetary value as computed by the State will be assessed as a claim against Contractor The State shall submit a monetary claim settlement request to Contractor within ten (10) working days after discovery or report of the discrepancy Contractor has fifteen (15) working days in which to appeal the assessment to the State The appeal must be in writing and submitted to the State within fifteen (15) working days The State will rule on the appeal and respond in writing within ten (10) working days after receipt of Contractor s appeal request. If the appeal is denied, Contractor shall make payment, as directed, within ten (10) working days after the appeal denial
- 4 Overages should they occur will accrue to the benefit of the State and shall not be used as an offset against shortages except in instances where a clear identification of an unconfirmed delivery error can be documented (1 e applesauce was delivered instead of apricots) In such instances the final reconciliation decision shall rest with the State

- 5 Loss of product will be replaced in kind by Contractor whenever possible. If replacement of in kind is not practicable, the dollar value of the food at the rate USDA has established will be assessed. The in kind replacement with a similar food may be acceptable upon obtaining the approval of the State. There is a "no shrink" policy (i.e. product that disappears from inventory).

S Payment for Services

Detailed information for the services performed during the claim periods must accompany the claims, in a form that is acceptable to the State.

- 1 A state claim form must be submitted with each invoice pursuant to instructions issued by the State.
- 2 Receipt invoices for USDA shipments may be submitted along with the appropriate receiving documents (tally sheets, Bills-of Lading, etc.) pursuant to instructions issued by the State.
- 3 At a minimum, the receipt invoice must include the name of the USDA food products, delivery order number, date received, extended cost per line item, and total cost per invoice.
- 4 Invoices for storage of USDA food products will be submitted monthly only for those USDA food products which are in the State account the first day of each month.

T Labor

- 1 Charges for labor not specifically covered by any previous paragraph will be authorized only with prior written approval from the State and must be itemized and explained in full on a separate invoice.
- 2 Overtime charges shall be those which are necessary because of holiday work or services performed outside of normal business hours. These charges shall be authorized only with prior written approval and must be itemized and explained in full on a separate invoice.

U Records and Reviews

Contractor will maintain records which fully account for the receipt and disposition of all USDA food products. Records must be maintained for the current fiscal year plus three (3) previous fiscal years to which they pertain and must be available for review at any reasonable time upon request of either USDA or the State.

V Termination

Should this contract terminate for any reason, Contractor shall maintain in storage (on site or with a subcontractor) all of the USDA food products then in the possession of Contractor or pursuant to this contract, for twenty (20) days subsequent to termination. Contractor will be reimbursed a reasonable amount for costs incurred during this twenty (20) day period. Contractor shall provide reasonable access to the State or the ERA(s) to facilitate removal of the remaining USDA products.
