5. Assignment

The Contractor shall not assign or subcontract the whole or any part of this Contract without the State's prior written consent. The Contractor may assign its right to receive payments to such third parties as the Contractor may desire without the prior written consent of the State, provided that Contractor gives written notice (including evidence of such assignment) to the State thirty (30) days in advance of any payment so assigned. The assignment shall cover all unpaid amounts under this Contract and shall not be made to more than one party.

12. Confidentiality of State Information

The Contractor understands and agrees that data, materials, and information disclosed to Contractor may contain confidential and protected data. Therefore, the Contractor promises and assures that data, material, and information gathered, based upon or disclosed to the Contractor for the purpose of this Contract, will not be disclosed to others or discussed with third parties without the prior written consent of the State.

13. Records, Reports, Inspections and Audits - Deleted

14. Conflict of Interest

A. As used in this section:

"Immediate family" means the spouse and the unemancipated children of an individual.

"Interested party," means:

1. The individual executing this contract;
2. An individual who has an interest of three percent (3%) or more of Contractor, if Contractor is not an individual; or
3. Any member of the immediate family of an individual specified under subdivision 1 or 2.

"Department" means the Indiana Department of Administration.

"Commission" means the State Ethics Commission.

- B. The Department may cancel this Contract without recourse by Contractor if any interested party is an employee of the State of Indiana.
- C. The Department will not exercise its right of cancellation under section B above if the Contractor gives the Department an opinion by the Commission indicating that the existence of this Contract and the employment by the State of Indiana of the interested party does not violate any statute or rule relating to ethical conduct of state employees. The Department may take action, including cancellation of this Contract consistent with an opinion of the Commission obtained under this section.
- D. Contractor has an affirmative obligation under this Contract to disclose to the Department when an interested party is or becomes an employee of the State of Indiana. The obligation under this section extends only to those facts that Contractor knows or reasonably could know.

15. Continuity of Services – Deleted

16. Debarment and Suspension

Contractor certifies, by entering into this Contract, that neither it nor its principals are presently debarred, suspended, proposed for debarment, declared ineligible, or voluntarily excluded from entering into this Contract by any federal agency or by any department, agency or political subdivision of the State of Indiana. The term "principal" for purposes of this Contract means an officer, director, owner, partner, key employee, or other person with primary management or supervisory responsibilities, or a person who has a critical influence on or substantive control over the operations of Contractor.

The Contractor also further certifies that it has verified the suspension and debarment status for all sub-contractors receiving funds under this contract and is solely responsible for any paybacks and or penalties that might arise from non-compliance.

17. Default by State

If the State, sixty (60) days after receipt of written notice, fails to correct or cure any breach of this Contract, then the Contractor may cancel and terminate this Contract and collect all monies due up to and including the date of termination.

18. Disputes

- A. Should any disputes arise with respect to this Contract, Contractor and the State agree to act immediately to resolve such disputes. Time is of the essence in the resolution of disputes.
- B. The Contractor agrees that, the existence of a dispute notwithstanding, it will continue without delay to carry out all its responsibilities under this Contract that are not affected by the dispute. Should the Contractor fail to continue to perform its responsibilities regarding all non-disputed work, without delay, any additional costs incurred by the State or the Contractor as a result of such failure to proceed shall be borne by the Contractor, and the Contractor shall make no claim against the State for such costs. If the State and the Contractor cannot resolve a dispute within ten (10) working days following notification in writing by either party of the existence of a dispute, then the following procedure shall apply:

The parties agree to resolve such matters through submission of their dispute to the Commissioner of the Indiana Department of Administration. The Commissioner shall reduce a decision to writing and mail or otherwise furnish a copy thereof to the Contractor and the State within ten (10) working days after presentation of such dispute for action. The Commissioner's decision shall be final and conclusive unless either party mails or otherwise furnishes to the Commissioner, within ten (10) working days after receipt of the Commissioner's decision, a written appeal. Within ten (10) working days of receipt by the Commissioner of a written request for appeal, the decision may be reconsidered. If no reconsideration is provided within ten (10) working days, the parties may mutually agree to submit the dispute to arbitration for a determination, or otherwise the dispute may be submitted to an Indiana court of competent jurisdiction.

The State may withhold payments on disputed items pending resolution of the dispute. The unintentional nonpayment by the State to the Contractor of one or more invoices not in dispute in accordance with the terms of this Contract will not be cause for Contractor to terminate this Contract, and the Contractor may bring suit to collect these amounts without following the disputes procedure contained herein.

19. Drug-Free Workplace Certification

The Contractor hereby covenants and agrees to make a good faith effort to provide and maintain a drug-free workplace. Contractor will give written notice to the State within ten (10) days after receiving actual notice that the Contractor or an employee of the Contractor has been convicted of a criminal drug violation occurring in the contractor's workplace.

False certification or violation of the certification may result in sanctions including, but not limited to, suspension of contract payments, termination of this Contract and/or debarment of contracting opportunities with the State of Indiana for up to three (3) years.

In addition to the provisions of the above paragraphs, if the total contract amount set forth in this Contract is in excess of \$25,000.00, Contractor hereby further agrees that this agreement is expressly subject to the terms, conditions, and representations of the following certification:

This certification is required by Executive Order No. 90-5, April 12, 1990, issued by the Governor of Indiana. Pursuant to its delegated authority, the Indiana Department of Administration is requiring the inclusion of this certification in all contracts and grants from the State of Indiana in excess of \$25,000.00. No award of a contract shall be made, and no contract, purchase order or agreement, the total amount of which exceeds \$25,000.00, shall be valid, unless and until this certification has been fully executed by the Contractor and made a part of the contract or agreement as part of the contract documents.

The Contractor certifies and agrees that it will provide a drug-free workplace by:

- A. Publishing and providing to all of its employees a statement notifying employees that the unlawful manufacture, distribution, dispensing, possession or use of a controlled substance is prohibited in the Contractor's workplace, and specifying the actions that will be taken against employees for violations of such prohibition;
- B. Establishing a drug-free awareness program to inform its employees of (1) the dangers of drug abuse in the workplace; (2) the Contractor's policy of maintaining a drug-free workplace; (3) any available drug counseling, rehabilitation, and employee assistance programs; and (4) the penalties that may be imposed upon an employee for drug abuse violations occurring in the workplace;
- C. Notifying all employees in the statement required by subparagraph (A) above that as a condition of continued employment, the employee will (1) abide by the terms of the statement; and (2) notify the Contractor of any criminal drug statute conviction for a violation occurring in the workplace no later than five (5) days after such conviction;
- D. Notifying in writing the State within ten (10) days after receiving notice from an employee under subdivision (C)(2) above, or otherwise receiving actual notice of such conviction;
- E. Within thirty (30) days after receiving notice under subdivision (C)(2) above of a conviction, imposing the following sanctions or remedial measures on any employee who is convicted of drug abuse violations occurring in the workplace: (1) taking appropriate personnel action against the employee, up to and including termination; or (2) requiring such employee to satisfactorily participate in a drug abuse assistance or rehabilitation program approved for such purposes by a federal, state or local health, law enforcement, or other appropriate agency; and
- F. Making a good faith effort to maintain a drug-free workplace through the implementation of subparagraphs (A) through (E) above.

20. Employment Option

If the State determines that it would be in the State's best interest to hire an employee of the Contractor, the Contractor will release the selected employee from any non-compete agreements that may be in effect. This release will be at no cost to the State or the employee.

21. Ethics

The contractor and its agents shall abide by all ethical requirements that apply to persons who have a business relationship with the State, as set forth in Indiana Code § 4-2-6 et seq., the regulations promulgated thereunder, and Executive Order 04-08, dated April 27, 2004. If the contractor is not familiar with these ethical requirements, the contractor should refer any questions to the Indiana State Ethics Commission, or visit the Indiana State Ethics Commission website at <<<<http://www.in.gov/ethics/>>>>. If the contractor or its agents violate any applicable ethical standards, the State may, in its sole discretion, terminate this contract immediately upon notice to the contractor. In addition, the contractor may be subject to penalties under Indiana Code § 4-2-6-12.

22. Force Majeure

In the event that either party is unable to perform any of its obligations under this Contract or to enjoy any of its benefits because of natural disaster or decrees of governmental bodies not the fault of the affected party (hereinafter referred to as a "Force Majeure Event"), the party who has been so affected shall immediately give notice to the other party and shall do everything possible to resume performance. Upon receipt of such notice, all obligations under this Contract shall be immediately suspended. If the period of nonperformance exceeds thirty (30) days from the receipt of notice of the Force Majeure Event, the party whose ability to perform has not been so affected may, by giving written notice, terminate this Contract.

23. Funding Cancellation

When the Director of the State Budget Agency makes a written determination that funds are not appropriated or otherwise available to support continuation of performance of this Contract, this Contract shall be canceled. A determination by the Budget Director that funds are not appropriated or otherwise available to support continuation of performance shall be final and conclusive.

24. Governing Laws

This Contract shall be construed in accordance with and governed by the laws of the State of Indiana and suit, if any, must be brought in the State of Indiana.

25. Indemnification

Contractor agrees to indemnify, defend, and hold harmless the State of Indiana and its agents, officials, and employees from all claims and suits including court costs, attorney's fees, and other expenses caused by any act or omission of the Contractor and/or its subcontractors, if any. The State shall not provide such indemnification to the Contractor.

26. Independent Contractor

Both parties hereto, in the performance of this Contract, shall act in an individual capacity and not as agents, employees, partners, joint venturers or associates of one another. The employees or agents of one party shall not be deemed or construed to be the employees or agents of the other party for any purposes whatsoever. Neither party will assume liability for any injury (including death) to any persons, or damage to any property arising out of the acts or omissions of the agents, employees or subcontractors of the other party.

The Contractor shall be responsible for providing all necessary unemployment and workers' compensation insurance for the Contractor's employees.

27. Information Technology Accessibility

All contractors supplying information technology related products and services to the state of Indiana must comply with all ITOC policies and standards. These policies and standards can be found at http://www.in.gov/itoc/html_site/architecture/poli.html and http://www.in.gov/itoc/html_site/architecture/stan.html. Any deviation from the published standards and policies must be approved by ITOC and be supported by a written waiver.

28. Insurance
